No. 9.

Commissariat Advertisement for Tea for the Madras Presidency.

SEALED tenders in the form used in the Commissariat Department (blank forms whereof can be had on application at the Commissariat Storekeeper-General's Office, Madras) will be received by the Commissariat Storekeeper-General, Madras, until 1 o'clock on Monday, the 17th October 1887 (and opened by him at the same time and place in presence of those interested), for the supply, by contract, of Indian black tea not exceeding in quantity 139,745lbs., to be delivered at the Commissariat Stores at Madras to the Commissariat Storekeeper-General on or before the 30th day of April 1888 free of all charges whatsoever. No payment will be made on account of such supply prior to the 1st April 1888. The above quantity is subject to a possible deduction of 117,000lbs. or less, if favourable tenders for out-stations (as per paragraph 3) are received.

2. **Earnest Deposits.**—Each tender must be accompanied by a receipt from the Secretary of the Bank of Madras acknowledging the payment of earnest-money equal to the amount shown in the table in paragraph 3 according to the number of stations tendered for, or by Government promissory notes to the same amount duly endorsed over to the Commissariat Storekeeper-General, Madras. If such earnest-money is not lodged, the tender will be rejected. Tenders to be sealed and superscribed "Tender for Tea."

3. Tenderers have the option of tendering for the supply of the whole quantity of tea at Madras as mentioned in paragraph 1, or of supplying at the following stations separately the respective quantities given opposite each station. In the latter case the amount inserted opposite each station is the earnest-money to accompany such tenders in the manner set forth in the preceding paragraph:—

	Tea.	Earnest-money.
	lbs.	Rs.
Bangalore	23,000	290
Belgaum	12,000	150
Bellary	12,000	150
Cannanore	7,000	90
Kamptee	12,000	150
Madras	22,745	280
Secunderabad	38,000	480
Wellington	13,000	160
Total	139,745	1,750

4. **Security Deposits.**—The earnest-moneys of successful competitors will be retained until they lodge with the Commissariat Storekeeper-General at Madras (or with the Executive Commissariat Officers in case separate tenders are accepted for each station) a security deposit of 10 per cent. on the value of the quantity or quantities of tea tendered by them. The security deposit may be lodged either in cash or in Government promissory notes. If the contractor desires to lodge the deposit in cash, he should pay the same to the Secretary of the Bank of Madras, or to the nearest Government treasury; and forward to the Storekeeper-General the Bank or treasury receipt for the same. If Government promissory notes are deposited, they are to be endorsed over to the Commissariat Storekeeper-General, Madras, for the time being as security for the due fulfilment of the contract. The earnest-moneys deposited with the successful tenders will then be returned to the tenderers.

5. The earnest-moneys of all unsuccessful competitors will be returned on the decision of Government as to the acceptance of any tender being received.

6. **Contract Deed.**—The successful competitors will be required to sign contracts on the basis of their tenders containing the usual provisions in the form used in the Commissariat Department (form whereof can be seen on application to the Commissariat Storekeeper-General at Madras), and to furnish the requisite security deposit within eight days from the date on which the acceptance of their tenders is notified to them. Should the successful competitors fail to sign the contracts or to furnish the security deposits within the time specified, so much of their earnest moneys will be forfeited as will reasonably compensate Government for such breach of contract, and their tenders will be considered as having been rejected. It is, however, to be clearly understood that the forfeiture of the total amount (if necessary) of such earnest-moneys for such default shall in no way preclude Government from recovering from the defaulting competitors all such damages as Government may sustain by reason of such defaults, and that the amount of such earnest-moneys is not to be taken as the total amount of compensation payable to Government for such defaults.

7. **Size and Weight of Chests.**—The chests containing the tea must be of suitable material, lined with lead, and the lead lining thereof must be sound and strong. Each chest must measure 27 inches long by 16 inches wide and 12½ inches deep (outside measurement), and must weigh as per margin. Each chest must be bound completely round with hoop iron at both ends, the nails being driven so as not to injure the lead.

lining. No chests of other dimensions than those specified above will be received. No broken or damaged chests will be received.

Each chest should contain 50lbs. of Indian tea and should be marked "50lbs. net." A certain number of the chests will be opened and examined by a Committee to ascertain that they contain not less than the weight represented, dependent on which examination the remainder will be taken to contain the net weight marked thereon.

8. **Quality of tea.**—The quality of tea will be subject to the approval of, or rejection by, a Committee to be appointed, at the request of the Commissary-General, by the Officer Commanding the District, and payment will be made for such quantity of tea only as may be approved of by the said Committee.

9. **Samples.**—Samples of tea can be had free of charge on application at the Commissariat Storekeeper-General's Office at Madras.

10. Each tender must be accompanied by a sample chest containing 50lbs. of the tea it is proposed to supply, which will be paid for at the rates tendered if of good quality.

11. **Defaults.**—If the contractors make default in delivering the whole or any part of the tea on or before the 30th April 1888, so much of the security deposited by them as will reasonably compensate Government for such breach of contract will be liable to be realized by Government, and, should such security be insufficient to compensate Government for such breach of contract, the contractors will be liable to pay to Government the difference between the amount of such security and such compensation, and any such compensation may, at the option of the Government, be deducted either from the moneys payable to the contractors for the tea delivered by them or from the securities deposited by them.

General Stipulations.

12. All further information may be had on application at the Commissariat Storekeeper-General's Office at Madras.

13. Every tender not made in the required form will be rejected. The form of tender to be signed as well as the schedule.

14. The Government reserves to itself the right of rejecting any tender without assigning any reason for so doing.

15. No person making a tender shall be allowed to withdraw his tender for the space of ninety days from the date thereof, and, in the event of his doing so, his earnest-money shall be forfeited to Government.
16. No offers by telegram will be accepted.

No. 9.

Commissariat Advertisement for Tea for the Madras Presidency.

SEALED tenders in the form used in the Commissariat Department (blank forms whereof can be had on application at the Commissariat Storekeeper-General's Office, Madras) will be received by the Commissariat Storekeeper-General, Madras, until 1 o'clock on Monday, the 17th October 1887 (and opened by him at the same time and place in presence of those interested), for the supply, by contract, of Indian black tea not exceeding in quantity 139,745lbs., to be delivered at the Commissariat Stores at Madras to the Commissariat Storekeeper-General on or before the 30th day of April 1888 free of all charges whatsoever. No payment will be made on account of such supply prior to the 1st April 1888. The above quantity is subject to a possible deduction of 117,000lbs. or less, if favourable tenders for out-stations (as per paragraph 3) are received.

2. *Earnest Deposits.*—Each tender must be accompanied by a receipt from the Secretary of the Bank of Madras acknowledging the payment of earnest-money equal to the amount shown in the table in paragraph 3 according to the number of stations tendered for, or by Government promissory notes to the same amount duly endorsed over to the Commissariat Storekeeper-General, Madras. If such earnest-money is not lodged, the tender will be rejected. Tenders to be sealed and superscribed "Tender for Tea."

3. Tenderers have the option of tendering for the supply of the whole quantity of tea at Madras as mentioned in paragraph 1, or of supplying at the following stations separately the respective quantities given opposite each station. In the latter case the amount inserted opposite each station is the earnest-money to accompany such tenders in the manner set forth in the preceding paragraph:—

	Tea.	Earnest-money.
	lbs.	Rs.
Bangalore	23,000	290
Belgaum	12,000	150
Bellary	12,000	150
Cannanore	7,000	90
Kamptee	12,000	150
Madras	22,745	280
Secunderabad	38,000	480
Wellington	13,000	160
Total	139,745	1,750

4. *Security Deposits.*—The earnest-moneys of successful competitors will be retained until they lodge with the Commissariat Storekeeper-General at Madras (or with the Executive Commissariat Officers in case separate tenders are accepted for each station) a security deposit of 10 per cent. on the value of the quantity or quantities of tea tendered by them. The security deposit may be lodged either in cash or in Government promissory notes. If the contractor desires to lodge the deposit in cash, he should pay the same to the Secretary of the Bank of Madras, or to the nearest Government treasury; and forward to the Storekeeper-General the Bank or treasury receipt for the same. If Government promissory notes are deposited, they are to be endorsed over to the Commissariat Storekeeper-General, Madras, for the time being as security for the due fulfilment of the contract. The earnest-moneys deposited with the successful tenders will then be returned to the tenderers.

5. The earnest-moneys of all unsuccessful competitors will be returned on the decision of Government as to the acceptance of any tender being received.

6. *Contract Deed.*—The successful competitors will be required to sign contracts on the basis of their tenders containing the usual provisions in the form used in the Commissariat Department (form whereof can be seen on application to the Commissariat Storekeeper-General at Madras), and to furnish the requisite security deposit within eight days from the date on which the acceptance of their tenders is notified to them. Should the successful competitors fail to sign the contracts or to furnish the security deposits within the time specified, so much of their earnest moneys will be forfeited as will reasonably compensate Government for such breach of contract, and their tenders will be considered as having been rejected. It is, however, to be clearly understood that the forfeiture of the total amount (if necessary) of such earnest-moneys for such default shall in no way preclude Government from recovering from the defaulting competitors all such damages as Government may sustain by reason of such defaults, and that the amount of such earnest-moneys is not to be taken as the total amount of compensation payable to Government for such defaults.

7. *Size and Weight of Chests.*—The chests containing the tea must be of suitable material, lined with lead, and the lead lining thereof must be sound and strong. Each chest must measure 27 inches long by 16 inches wide and 12½ inches deep (outside measurement), and must weigh as per margin. Each chest must be bound completely round with hoop iron at both ends, the nails being driven so as not to injure the lead lining. No chests of other dimensions than those specified above will be received. No broken or damaged chests will be received.

Each chest should contain 50lbs. of Indian tea and should be marked "50lbs. net." A certain number of the chests will be opened and examined by a Committee to ascertain that they contain not less than the weight represented, dependent on which examination the remainder will be taken to contain the net weight marked thereon.

8. *Quality of tea.*—The quality of tea will be subject to the approval of, or rejection by, a Committee to be appointed, at the request of the Commissary-General, by the Officer Commanding the District, and payment will be made for such quantity of tea only as may be approved of by the said Committee.

9. *Samples.*—Samples of tea can be had free of charge on application at the Commissariat Storekeeper-General's Office at Madras.

10. Each tender must be accompanied by a sample chest containing 50lbs. of the tea it is proposed to supply, which will be paid for at the rates tendered if of good quality.

11. *Defaults.*—If the contractors make default in delivering the whole or any part of the tea on or before the 30th April 1888, so much of the security deposited by them as will reasonably compensate Government for such breach of contract will be liable to be realized by Government, and, should such security be insufficient to compensate Government for such breach of contract, the contractors will be liable to pay to Government the difference between the amount of such security and such compensation, and any such compensation may, at the option of the Government, be deducted either from the moneys payable to the contractors for the tea delivered by them or from the securities deposited by them.

General Stipulations.

12. All further information may be had on application at the Commissariat Storekeeper-General's Office at Madras.

13. Every tender not made in the required form will be rejected. The form of tender to be signed as well as the schedule.

14. The Government reserves to itself the right of rejecting any tender without assigning any reason for so doing.

15. No person making a tender shall be allowed to withdraw his tender for the space of ninety days from the date thereof, and, in the event of his doing so, his earnest-money shall be forfeited to Government.
